## **DVESS**capades

escapades: interesting, stimulating, exciting activities and adventures

# DELAWARE VALLEY EARTH SCIENCE SOCIETY NEWSLETTER

December 2015

**Next Meeting: December 9th** 

7:00 pm Junior Rockhounds class and adult social hour

8:00 pm Program: **Holiday party**, gift exchange, and elections

Bring a wrapped gift (value about \$10.00) and get a gift in exchange. Grant will supply an appropriate video. Gerald will supply the cold cuts and bread. Members are asked to bring a covered dish (salad, desert or food item).

Meeting location: Education Bldg. behind Centenary United Methodist Church, 149 South White Horse Pike, Berlin NJ 08009

#### Field Trips:

On Saturday, November 28th, our club along with several others like DMS and DVPS joined the Calvert Marine Museum Fossil Club honoring the late John Wolf with their annual memorial walk, in Odessa, DE. Everyone seemed to have great time collecting various size pieces of the ancient cypress petrified wood (see below). Afterwards, a few of us went to the C&D Canal to collect belemnites, exogyras, and assorted micro-fossils.

Collecting Trips: On hold until early Spring 2016.

December 26th: Dino Days at the Delaware Museum of Natural History

#### Quest to drill into Earth's mantle restarts

Indian Ocean expedition resumes a six-decade campaign to bore right through the planet's crust. http://www.nature.com/news/quest-to-drill-into-earth-s-mantle-restarts-1.18921

#### Bid to drill deep inside Earth

Scientists will set out this week to drill a hole into the Indian Ocean floor to try to get below the Earth's crust for the first time. http://www.bbc.com/news/science-environment-34967750

#### Quote of the Month

Geology is really something you have to study in the field. By taking geology it will help you get the full entertainment value out of this planet. *Steve Simpson*

#### **Membership Information**

Regular memberships are entitled to participate in all DVESS activities.

*Sponsoring memberships* are entitled to the same plus a specially chosen mineral specimen. Dues are renewable each year in January.

#### Regular Membership:

\$20.00 for the 1st family member + \$5.00 for each family member \$10.00 for the 1st Senior (65+ ) member + \$5.00 for each family member

Sponsoring Membership: (each additional family member - \$5.00)

"Silver" \$50.00 for 1<sup>st</sup> family member – receive a Geode Specimen "Gold" \$75.00 for 1<sup>st</sup> family member – receive Mineral Specimen "Platinum" \$100.00 for 1<sup>st</sup> family member – receive Premium Specimen

#### Delaware Valley Earth Science Society Information

The Delaware Valley Earth Science Society, Inc. (DVESS), a non-profit organization, was founded in 1956 and incorporated in the state of New Jersey in 1957. The Society:

- promotes interest in, knowledge of, and the development of skills in the "earth sciences." These interests include mineralogy, paleontology, lapidary arts, archeology, and local preservation.
- supports the conservation of natural resources, advocates the availability of collecting sites, and maintains close contact with those in the academic field.
- is a member club of the Eastern Federation of Mineralogical and Lapidary Societies (http://www.AmFed.org/EFMLS)
